KWF Community Grant Program Application Form

1. Introduction

Kiata Wind farm (KWF) is offering financial support to selected community projects through an annual grant program. The grant program will provide up to \$20,000 of funding each year to different organisations/eligible projects in the region.

Organisations with suitable projects are encouraged to apply by filling out the application form available at <https://www.atmosrenewables.com.au/project/kiata-wind-farm/>.

The goal of the grant program is to provide financial support for local projects that contribute to the social, economic and environmental sustainability of the community in the vicinity of the KWF (Nhill and Kiata).
